PREMIUM GALLERY WRAPS

Every Premium Gallery Wrap comes perfectly mounted with hand-finished corners, wrapped around a custom, handmade wooden frame. They also come with a dust cover and hanging hardware at no extra cost.

Premium Gallery Wraps are laminated, which makes them archival and adds protection to the finished product. Available in over 50 different sizes and two different depths, 1.5" and 2.5", these are a lovely addition to a home.

Premium Gallery Wraps are also available on Metallic Photo Paper. This gives your images a color punch and sheen that lends itself to high contrast and heavily color saturated images. Metallic Wraps are not available in all sizes.
